Eurasia Drilling Company Limited ("EDC" or the "Company") is the largest provider of onshore drilling services in Russia, providing onshore integrated well construction and workover services to local and international oil and gas companies. In addition, EDC provides onshore drilling services in Kazakhstan, and offshore drilling services to Russian and international oil and gas companies in the Russian, Kazakh and Turkmen sectors of in the Caspian Sea.

1H 2008 FINANCIAL HIGHLIGHTS:

- **Top line revenue growth of 53.0% to \$ 1,030 million (1H 2007: \$ 673 million)**
- **EBITDA increased 51.8% to \$ 206 million (1H 2007: \$ 136 million)**
- **Operating profit increased to \$ 175 million (1H 2007: \$ 123 million)**
- **Net income growth of 68.9% to US \$ 133 million for the period**
- **Earnings per share increased from \$ 0.63 in 1H 2007 to \$ 0.90 in 1H 2008**

1H 2008 OPERATIONAL HIGHLIGHTS:

- **Drilling output increased 29.5% to 2.0 million meters (1H 2007: 1.5 million meters)**
- **Increased total number of drilling rigs to 198 from 195 at the beginning of 2008**
- **Progressed on our previously announced contract with LeTourneau Technologies Inc, to produce drilling rigs at an assembly and fabrication plant in Kaliningrad**
- **Market share (based on meters drilled) grew to 26.0% of the market at the end of the period (all organic growth) versus 22.4% for 2007**

Mr. Alexander Djaparidze, EDC's Chief Executive Officer, commented,

"EDC continued its robust growth in the first half of 2008, posting new records in meters drilled and across all our financial measures. Demand from our customers is strong, and EDC has expanded our Russian market share appreciably. Our geographic coverage now extends into the onshore Kazakhstan market, and more recently EDC has begun operations in Eastern Siberia. We expect demand for our services to remain high, and EDC's expanding capacity and continuously improving drilling efficiency should enable continued strong performance in the second half and further growth in 2009."
