EDC REPORTS 2010 FULL YEAR RESULTS

Moscow, April 21, 2011 - Eurasia Drilling Company Limited ("EDC" or the "Company" - LSE: EDCL), one of the leading onshore and offshore drilling services providers in the CIS, today announced its Full Year 2010 Consolidated Financial Results, prepared in accordance with US GAAP.

The audited Consolidated Financial Statements for the twelve months ended December 31, 2010, and the Management Report on 2010 Results, can be found under the following link:

http://www.eurasiadrilling.com/financial_information.html

2010 FINANCIAL HIGHLIGHTS:

- Top line revenue up 31% to US \$1,812 million (2009: US \$1,382 million);
- EBITDA margin improved to 24.1% (2009: 23.1%);
- Net Income increased 25% to US \$207 million (2009: US \$165 million);
- Diluted earnings per share up 18% to US \$1.44 (2009: US \$1.22);
- Capital expenditures of US \$284 million (2009: US \$107 million);
- Total dividends of US \$213 million comprised of US \$179 million as a special dividend on treasury share sales transaction and US \$34 million dividend resulting from successful 2009 operations;
- Cash and cash equivalents of US \$629 million (December 31, 2009: US \$434 million).

W. Richard Anderson, EDC's Chief Financial, commented:

"2010 was another year of excellent financial performance for EDC. Our revenue, net income and EBITDA margin all improved over 2009. We returned approximately US \$213 million to our shareholders and substantially increased our capital expenditures while preserving the integrity of our balance sheet. Our expectation is that 2011 will be an even better year as we begin to see the benefits of our recent investments and acquisitions."

2010 OPERATIONAL HIGHLIGHTS:

- Drilled over 4.1 million meters onshore in 2010; 9% greater than 2009 (3.75 million meters) and a new record for the Company;
- Signed Letter of Intent with Schlumberger to sell and purchase each other's drilling and service assets and enter into a strategic alliance in the CIS;
- Contracted Lamprell Plc to build a new jack-up drilling rig for deployment in the Caspian Sea;
- Commenced onshore drilling operations for several new clients in Russia, including TNK-BP;
- Further diversified client base; largest customer accounted for 57% of total drilling (2009: 63%);
- Fully employed jack-up rig *ASTRA* in Turkmen and Russian waters of the Caspian Sea, and operated year-round on LUKOIL's Yu. Korchagin field platform;
- Performed a record number of well servicing and workover jobs as the newly acquired workover businesses from LUKOIL West Siberia added materially to legacy operations;
- Completed fabrication of 2,000 hp "YERMAK" drilling rig, formally launched in March 2010.

Dr. Alexander Djaparidze, EDC's Chief Executive Officer, added:

"In 2010 we began to show the full potential of the Company. We drilled more wells, performed more workovers and posted better margins than in any prior year. As we integrate our recently acquired businesses this year, we are laying the foundation for superior performance into the future."

EDC is the largest independent provider of onshore drilling services in Russia, as measured by the number of meters drilled, providing onshore integrated well construction services and workover services. In addition, the Company provides offshore drilling services in the Caspian Sea. The Company offers its onshore integrated well construction services and workover services to local and international oil and gas companies primarily in Russia and its offshore drilling services to Russian and international oil and gas companies in the Russian, Kazakh and Turkmen sectors of the Caspian Sea. The Company is traded on the London Stock Exchange under the symbol "EDCL".
